To whom it may concern,

Prof. África González Fernández, President of the Spanish Society for Immunology,

On behalf of the **Spanish Society for Immunology (Sociedad Española de Inmunología, SEI)** (www.inmunologia.org), and our SEI board, we would like to express our fully support for your letter to the European Commission and European Parliament on revising the title of Commissioner Gabriel to '**Education, Research, Innovation and Youth**'.

SEI is supporting your petition as a national scientific association, with the aim of helping to the development in Europe of all these elements, which we consider crucial for our future as society.

Yours faithfully

Prof. África González Fernández

President of the Spanish Society for Immunology
